

The 4th edition of the Saudi International
Medlab Expo 2026

12 - 14 Oct, 2026
RICEC

The fourth of the Saudi International 2026

Saudi International Medlab Expo 2026 is a unique platform in the Kingdom of Saudi Arabia, which has brought the Laboratory & Clinical Industry from all over the globe under one roof. The Expo showcases the latest invention & development in Laboratory Technology and brings together the leaders in the medical laboratory industry, aiming to create maximum interaction and meeting opportunities. Where manufacturers, dealers and distributors can promote their brands, meet potential customers and entertain existing clients. If you're looking to find products, make new investments, gain new knowledge or strengthen business ties with the global clinical laboratory market, we are definitely your right destination.

Why exhibit?

Build relationships that will propel your business. The fourth of Saudi International Medlab Expo 2026 will bring you face-to-face with the entire spectrum of medical laboratory industry professionals in order to maintain and grow existing relationships. The fourth of Saudi International Medlab Expo 2026 turns on the spotlight for your business.
